STOP FOR FOOD

In support of The Stop Community Food Centre a group of Toronto restaurants have joined Cross Town Kitchens to present 'Stop for Food'. From Saturday, August 1st until Monday, August 31st all participating restaurants will be offering locally focused prix fixe menus for \$35 or \$50 per person, with \$5 or \$10 being donated directly to The Stop.

The Stop Community Food Centre strives to increase access to healthy food in a manner that maintains dignity, builds community and challenges inequality. The Stop recognizes that confronting hunger must go beyond handing out food to people struggling on low incomes. Through innovative food programs, their aim is to bring people together to break down social isolation and improve quality of life.
